

AIOM WORKSHOP

on Clinical Research Methodology

• WEBINAR 3

15th December 2025

5.00 pm - 6.20 pm (CET)

The AIOM Clinical Research Methodology Workshop offers a valuable opportunity for young oncologist to update, train and network. This event will allow participants to develop the skills needed to address the challenges of future oncology medicine. This appointment is the first webinar preparatory to the residential phase scheduled for January.

PROGRAM

5.00 pm Introduction and course overview

Lorenzo Gerratana (Aviano, PN),

Alberto Puccini (Rozzano, MI)

5.05 pm Biomarker-driven clinical trials: matching the

right drug with the right study design

Fabrice André (Villejuif, France)

5.30 pm Longitudinal applications of ctDNA:

personalizing treatment sequencing through MRD detection and disease monitoring

Massimo Cristofanilli (New York, NY, USA)
