

2nd edition

The host and the cancer

2nd November 2026

 **5.00 pm - 6.20 pm (CET)**

The **AIOM Clinical Research Methodology Workshop** offers a valuable opportunity for **young oncologist** to update, train and network. This event will allow participants to develop the skills needed to address the challenges of **future oncology medicine**. This appointment is the first webinar preparatory to the residential phase scheduled for January.
